DEDICATION

Mark Keppel High School opened its doors to its first student body in February of 1940. Since that time many traditions have attached themselves to the school, and many honors have come to it.

The creative picture on the opposite page, the strong sturdy buildings with a forward look into all walks of life, tell the story of Mark Keppel High School. The buildings, aged in honor and tradition, serve as a picturesque and reliable foundation for new and progressive ideas. This blend of old and new provides an exciting setting for campus activities. It is only natural, then, that Mark Keppel is still making additions to its already numerous buildings.

Because of its willingness to look to the future out of a proud and honorable past and because this February marks its twenty-fifth anniversary, we dedicate the 1965 **Teocalli** to Mark Keppel High School.

It's been real nice sitting by you
in H.S. You're real sweet and I sure
wish you all the luck in the world.
Hope to see you next year.

Love ya,
Pui

BOARD OF EDUCATION

MRS. MATHER
President

MR. LANE

MR. FLUSTER

MR. VAN WINKLE

The students at Mark Keppel both thank and admire all of the Boards of Education in Keppel over the past twenty-five years. In the years of growth and progress these sincerely interested lay people have given of their time, knowledge, imagination, and courage to build the strong educational system that we at Keppel enjoy today. The present Board of Education is carrying on and enlarging upon the tradition of forward looking education.

MR. CLAY

SUPERINTENDENTS

Dr. Maylon Drake

The Aztecs of Mark Keppel welcome Dr. Drake to his new position as Superintendent of Alhambra City and High School District. We congratulate him on a very successful first year and wish him many more.

A vote of thanks and admiration are also in order for all the superintendents in Mark Keppel's story. These men, whose ability is exemplified by our present administrative heads, have, over the past twenty-five years, wisely chosen the curriculum, efficiently handled the school funds, and ably hired all district employees. The competence and dedication of these men has made possible a proud silver anniversary for us at Keppel.

PRINCIPAL

TWENTY FIVE YEARS

Mark Keppel High School became ten years of age in 1950 and it has now attained the venerable age of twenty-five. We observed in this space on the occasion of the tenth anniversary that: "Keppel is today a mature school, respected in the community which it serves as well as among its fellow senior high schools of the state. This has not been by accident or luck. Those who conceived and built Mark Keppel—Board of Education members, administrators, teachers, parents and students—by their sincere, intelligent and tireless leadership have established traditions, morale, and a spirit of friendliness which cannot easily be lost."

The above paragraph, taken from the Teocalli of 1950, has withstood the test of time, and now as we close our twenty-fifth year we can look into the future with even more confidence, knowing that future Aztecs will build even a greater school.

A handwritten signature in cursive script that reads "Bruce M. Lawson". The signature is written in dark ink and is positioned above the printed name.

Bruce M. Lawson

ASSISTANT PRINCIPALS

In this the 25th year of operation of Mark Keppel High School the students have much of which to be proud. The many traditions that have been set over this period of time rank well with the best traditions for student activities in Southern California.

We of the Administration join with the teachers in complimenting you on your student achievements and hope that in the years to come we can be as proud.

James F. Kemp

Maturity is the aim of education. As Mark Keppel has grown, education has become more complicated and sophisticated. Now the student needs greater desire and faces more responsibility for his own education. May each of you face this challenge individually and achieve that knowledge which leads to maturity and happiness.

R. S. Luttrell

In observing the twenty-fifth anniversary of Mark Keppel High School, it is pleasant to look back at all the fine achievements of our students and graduates. But it is also fine to view the school as it now is, with the feeling of responsibility for each student by the faculty and a feeling of loyalty to the school by each student.

In the future it is my hope that the same consideration of the individual student and the same high standards of loyalty and accomplishment will prevail.

Who has been responsible for the many and varied activities and programs enacted this first semester? Your Fall Cabinet under the superior leadership of Student Body President Bert Rush. Can you remember when Cabinet went into the movie making industry to bring an enjoyable assembly on activity cards? Other big events were the Mammoth March from Shakey's Pizza Parlor to the big football game with San Gabriel; the Flapper Fling Backwards Dance; and the Homecoming Parade and dance. The Student Body showed tremendous enthusiasm and spirit, and we can thank our Student Government for helping to promote it.

Speaker of the Representative Council
Fall Semester

The news of each Class Council and that of the Executive Cabinet is coordinated into activities through the bi-monthly meetings of the Representative Council. The Speaker of the Representative Council, a Cabinet officer elected by the student body, and the six officers of each class form the Council. This is a contributive assemblage as the Class Councils and the Cabinet can exchange ideas and work to form activities for the students.

JULIE SPRAGUE
Speaker of the Representative Council
Spring Semester

Senior officers: Gary Songer, Pat Hamilton, Cheri Sutter, Sonja Sausedo, Mickey Roach, Sheila Rawls, Nancy Skaron. Junior officers: Marc Stewart, Ronda Whitlatch, Cheryl Moore, Jeff Green, Jane Fleishman, missing Pat Freemon. Sophomore officers: Jim Hughes, Lorita Renfro, Linda Marcu, Grace Corselius, Shirley Brown. Freshman officers: Denise Lorona, David Whiteing, Marsha Myers, Kathy Brown, Mark Huebsch.

STUDENT COURT

The Student Court is made up of a Chief Justice, who appoints a justice from each of the four classes; a court secretary; defense attorney; and prosecuting attorney. The Chief Justice presides over the Student Court and is a member of Cabinet. The purpose of Student Court is to judge pupils who have been cited for misconduct, and to punish them accordingly. Citations are given by members of the Federated Student Body and the Representative and Class Councils, with the signature of two witnesses.

Under the superb leadership of Todd Crawford, the Spring Cabinet had a very successful and active semester.

Among the varied activities were the after game dances, pep rallies, faculty-varsity games, a pep squad vs. varsity club game, and assemblies with such attractions as the "One Plus One" folk singers, A Cappella Choir, and play previews. Cabinet has also had various exchange cabinet meetings.

"Uncle Archie's Funtime" was the theme for the Spring Semester Backwards Dance. Everyone dressed up like little kids and had a very enjoyable time. Another event was the Mardi Gras and Dance which turned out to be one of the biggest successes of the year. The fine planning of the Spring Cabinet made possible a truly enjoyable and exciting spring semester.

The Sophomore class was very busy this past year. Ribbons were sold for a basketball game, a bottle drive was held, sponsoring an aftergame dance, and entering a car in the Homecoming Parade were just a few of the activities we held. Our main project was the Hardwood Hop. A lot of time and effort was put in to make this dance a big success.

NANCY SKARON
Semester 2 Secretary of
Clubs

One of the main purposes of the clubs at Mark Keppel High School and to the community. These services include Christmas gift-giving to needy families, hospitals, and orphanages; serving at school banquets; hosting at Open House; serving as ushers at certain school functions; and sponsoring clean campus drives.

The secretary of Clubs has the responsibility of coordinating all school club functions with those of Cabinet. Each semester, the Secretary of Clubs awards a trophy to the club that has contributed the most to the school and the community. The Secretary also keeps track of all club points, takes care of the club bulletin board, and many other jobs important to keeping all of the school clubs running smoothly.

AOWAKYA

The purpose of Tri Hi Y is "to create, maintain and extend throughout the home, school and community, high standards of Christian character." Pure thoughts, pure words, pure actions is the slogan. Each Tri Hi Y club serves its community and even communities in other states and other countries. Service is not the only function of Tri Hi Y. The clubs are equally active in educational, religious, and social projects. The club that has proved itself most active and well-balanced is chosen each year by members of the Y staff to be Club of the Year.

F.N.A. has been an active club in the community. It has participated in such community projects as the Cancer Drive, Leukemia Drive and the Heart fund. F.N.A. has gone on many inspiring field trips to various hospitals and medical centers.

At each meeting, as often as possible, we have teachers from the different fields of teaching give an evaluation and tell of his or her experiences as a teacher. Usually a film is shown on the many aspects of teaching. Many times during the year field trips are scheduled to schools to observe the many methods of teaching. Attending conventions at least twice a year at colleges or hotels is also part of the activities. In this way we hope to get other interested in the teaching profession.

We feel that hard work is the only way to achieve our goals and purposes. We are proud of our club; and we should be, for we made it what it is — a group of great people working together to make our school proud of us.

When Mark Keppel High opened in February of 1940 it was staffed with a group of competent and dedicated people who early established the tradition of dedicated service to the youth of this community. Some of this group have devoted the past twenty-five years of their lives to Mark Keppel High and are continuing in their various capacities to be focal points of the school's activities. The 1965 Mark Keppel student body gratefully expresses its thanks to these 11 persons and congratulates them on their silver anniversary of service to this school.

Our fall Backwards Dance was really the cat's pajamas. The secret password to this Flappers' Fling was "Joe sent me." Looking into the gym one would think they were back in the Roaring 20's. Our dancers were the bee's knees doing the Charleston, Blackbottom, and the Shimmy.

In our Speak-Easy our bartenders were quite busy. Mr. Charis took pictures at this memorable event.

Do You Really Understand How I Feel?

Don't You Ever Threaten My Children Again

Our Fall Play, "The Remarkable Mr. Pennypacker," was directed by Mr. Gene McCabe. Horace Pennypacker Jr., an advanced free thinker, was the main character in this amusing tale. The reason he was so REMARKABLE was that he had two families at the same time. Nine children in one family, and eight in the other. He was a very active man! He kept each family a secret from the other for twenty years. His secret leaked out . . . fireworks exploded! When Emily Pennypacker found out that the other Mrs. Pennypacker had been dead eight years, she forgave Horace. Aunt Jane went to live with his motherless children, and they all lived happily ever after.

The Keppel halls were filled with Christmas cheer on Friday, December 18, 1964, Annual Gift Giving Day. The event was sponsored by the Junior Red Cross. The students, regular Santa's helpers, brought gifts or money to make their Christmas merry. The senior orchestra added to the holiday spirit, performing the many familiar carols. The assembly consisted of A Cappella, Senior Glee, and Men's Glee. Is it any wonder that smiles were popular that day?

Excitement filled the gym as the anxious crowd awaited the coronation of our 1965 Hardwood Hop Queen.

Mr. Kemp had the honor of crowning her highness, Mimi Lozano, and presenting her with an array of red roses, during half-time of our basketball game. Queen Mimi and her Princesses Nancy Skaron, Dana Olive, Carrie Brown, and Nancy Nelson each received lovely corsages. Later that night they were each escorted by their dates to the after game dance where the students danced to the lively music of Ricky Vee and the Proteges.

It was quite an eventful night at our Spring Backward's Dance where many of our Keppel Kiddies dressed to the theme of Uncle Archie's Fun Time.

We danced to the lively music of the Castaways, and Mr. Charis took colored photographs of the couples which helped to make this a night to remember.

The Spring all-school play was George Bernard Shaw's classic comedy, *Pygmalion*. It was presented on March 26 and 27.

This well known Cinderella story portrayed the life of a Cockney flower girl who was transformed into a grand lady. This comical but touching play was under the direction of Mr. Gene McCabe.

SPRING MUSICAL

"Brigadoon" tells the story of a young American named Tommy and his companion, Jeff, who happen on a small village in the highlands of Scotland after losing their way while hunting. This town comes to life for one single day every hundred years. They follow the villagers through a day that includes a wedding and a near disaster when young Harry Beaton, a Scot, tries to leave the village. After returning to New York, Tommy, who had fallen in love with Fiona, quarrels with his fiancée and finally goes back to Scotland where through the power of love, he awakens the slumbering town long enough to join Fiona.

In 1964, when I learned that I was to become an A.F.S. student, I had mixed feelings. I was very happy because I was going to America, but also a little afraid of what kind of people I would meet or what kind of reception to expect.

I should not have feared. I have found everyone to be most friendly, interested and understanding.

My American family, my teachers, and my friends have helped to make my adjustment easy and complete.

As my stay here draws to a conclusion, I would like to express my sincere appreciation to everyone at Keppel and to all who have contributed their efforts to make my year in the United States an exciting and memorable year.

Karl Barnum Award
Bert Rush

Twenty-five years of service to the community have proved valuable to Mark Keppel High School. In appreciation of these services many local merchants and businessmen have set up annual awards and scholarships for Keppelites whose contributions to school and community have been outstanding. Some examples of community good will are the Bank of America and the Prudential Savings and Loan Association awards.

Many local organizations such as the Lions Club, Kiwanis Club, and the Optimist Club bestow similar awards on Keppel students. The Monterey Park Lions Club annually presents the Karl Barnum Memorial Award to the senior who has "contributed the most to the school," and after three years the award has already become a tradition.

The faculty at Keppel has long been one of the major contributors to the award fund. Every year the faculty and administration give one hundred dollars to a worthy senior.

The pictures on this page include just a few of the many Keppelites who have received recognition for their contributions to school and community.

TRADITIONS

Flag Salute

During its twenty-five years Mark Keppel High School has established many memorable traditions. Each day begins with the hush over the entire campus as the band plays "To the Colors" while the flag is raised. On through the day one can notice numerous traditions that color the life of Keppelites — traditions such as the senior table in the cafeteria, the first rows for seniors at the assemblies, the annual Christmas Gift Giving by Junior Red Cross, and many others. These traditions have marked the memories of Keppel's student body and alumni and will continue to do so for years to come.

MAYNARD HORST: HEAD COACH

A jinx is broken. During the 1964 football season a much improved Mark Keppel High School football team broke a two year Jinx that had plagued Coach Maynard Horst's teams. This was accomplished when the Aztecs defeated (in non-league action), Glendale Hoover 19-14. They went on to win their first league game when they "mangled" the favored El Monte Lions by an impressive 25-13 score. The team finally wound up the season with two wins, one tie, and six losses.

SWAN SONG . . .

As the time slipped by, the pages of the Yearbook have slipped by, one by one, and now we are finished. The responsibility of being Yearbook editor has almost come to an end and my last duty and honor is to thank everyone who has made this book possible.

To the assistant Editor, Barbara Shaw, I give a "special thanks" for helping me when I needed it. Next, I would like to thank Chuck Murphy, the Art Editor, for making each division page come alive with memories of Mark Keppel's twenty-five year history.

Then there is Teocalli Staff with everyone helping each other out, especially near deadline time. I'd like to thank Sylvia Seventy and Linda Landa, who worked on administration; Marguerite Tisdell, Mary Lee Spangler, Sonja Saucedo, and Nancy Greenberg, who worked on the senior section and made it completely different from last year's; Joni Woolman and Nancy Nelson, who worked on student government; Jean Roth, Linda Lyon and Evanne Levin, who worked on classes; Mimi Lozano and Sharon Thompson who worked on clubs; Pam King and Kathy Blake, who made the social whirl section come alive with the many activities of the past school year; Elaine Frederickson and Kathy Matson, who developed a fascinating rhythm section; Helen Weinberg and Marc Stewart, who created a memorable honors and tradition, Tim Scott, Joel Douglas, Ray Pfister, and Nick Menkee, who made the sport section come alive with the excitement of football, basketball, baseball and track and field.

Both gratitude and thanks are in order for Mr. Grubbs and his student photographers, Jerry Moody, Bob Wilson, Carl Kaesar, and Harry Howarth, who have given us the pictures of the many different activities around school; and also for Mr. Sternsheim and his crew of advertising salesmen.

I wouldn't know where to begin to show my thanks and gratitude to Mr. Warner. He has been a tremendous yearbook adviser.

Finally, my thanks must go to you, the administrators, faculty and student body of Mark Keppel, for creating in your day to day school life the finely woven "stuff" from which this book is made.
